Dear Crystal:

On behalf of the Medicine Hat and District Chamber of Commerce Board, staff, volunteers and all of our members, I would like to welcome you to our Chamber network.

Our Chamber has been the "Voice of Business" since it's founding in 1900 and we are proud to support over 680 local businesses. Businesses and professionals today face many challenges, which when handled alone can be difficult to handle effectively. This is why a strong Chamber of Commerce serving as the "Voice of Business" is not only necessary, but also a vital part of business.

The Chamber speaks for all businesses and we are in business to help you; at all levels of government, whether local, provincial or federal, we promote Medicine Hat and District business interests. Our programs and activities are developed with your firm's profitability in mind and we can accomplish collectively what no one business can do alone.

Your participation as a member of the Chamber will add strength to the vital work we are doing and we know that this will be one of the best investments for your business or profession.

Enclosed is your membership certificate and Chamber seal. Our value added program information and applications will be emailed to you. We also invite you to find out more about us by visiting us online at [www.medicinehatchamber.com](http://www.medicinehatchamber.com) or by visiting us at our office downtown.

Your employee membership cards are also included in this package and we encourage you to distribute these to your employees (if applicable). Each employee, whether full time or part time, can use their card to obtain the member to member discounts offered by other Chamber members. The Member 2 Member program sheet can be found on our website under the membership tab and the link can be circulated to your employees so they are informed of the many benefits our members are offering. Be sure to check back on our website often, as this list is updated frequently.

The Medicine Hat and District Chamber of Commerce is working hard to represent business and professional interests and I hope you will join us in our ambitious program to increase our involvement and influence in this community on your behalf.

Thank you once again for your support.

Sincerely,

Lisa Kowlachuk  
 Executive Director
